

ABOUT THE EVENT

Sips on the Skyline, now in its third year, is an evening celebration hosted at the Virginia War Memorial by the Virginia War Memorial Foundation as a “Thank You” to friends and supporters.

This social, yet educational event hosted by the Foundation offers guests a special opportunity to gather with like-minded friends, educators, and veterans who all share support of the Memorial and its mission.

The event takes place Friday, Sept. 24, 2021, 6:30 p.m. through 9 p.m. (during Virginia Spirits Month) at the Virginia War Memorial overlooking the downtown Richmond skyline and the James River. Sips on the Skyline features a band and dance floor, a dinner and dessert buffet, a beer and wine bar, and—of course—craft cocktails and spirit tastings presented by distillers across Virginia, several of which are veteran-owned businesses.
