

To be free

By: Fallon Fritsch, 4th Grade, Maybeury Elementary School

To be free is to fly,

To fly in the sky.

Like a bird in the breeze.

To fly at ease.

Not to be free is like a mouse in a trap,

Longing to escape and never come back.

If you're free, be grateful.

If you're not, keep trying.

For you'll be flying

Soon enough.
